Date of Visit: 8 May 2026

Reporting Time: 11:00 AM

Place of Visit: Bombay High Court

Introduction

An educational visit to the Bombay High Court was organized for the First Year LL.B. students of Alice Law College, Boisar, under the guidance of Assistant Professor Ravina Katkar on 8 May 2026. The main objective of the visit was to provide practical exposure to the judicial system and to help students understand the actual functioning of courts, legal proceedings, and judicial administration.

The visit proved to be highly informative and educational as students observed live court proceedings, visited the High Court museum and library, and learned about the history and heritage of the court.

Court Proceedings Observed

Court Room No. 3

The students first attended proceedings in **Court Room No. 3**, presided over by **Hon'ble Justice N J JAMDAR**.

During the session, students observed the courtroom atmosphere, judicial discipline, and the manner in which advocates presented their arguments before the Hon'ble Court. The hearing demonstrated the importance of legal research, case laws, professional ethics, and proper courtroom procedure.

The students carefully listened to the submissions made by advocates and noted the interaction between the judge and lawyers. The proceedings helped students understand practical aspects of advocacy and court management.

1. Income Tax Matter Hearing

Students also attended an Income Tax hearing where legal arguments related to taxation and financial regulations were discussed. The proceedings highlighted:

- Tax assessment procedures
- Legal interpretation of tax provisions
- Role of courts in resolving tax disputes
- Importance of financial compliance

The hearing helped students understand the practical application of taxation laws and judicial interpretation in financial matters.

Court Room No. 13

Later, students attended proceedings in **Court Room No. 13**, presided over by **Hon'ble Justice Sharmila Deshmukh**.

In this courtroom, students observed:

1. Trademark Matter Hearing

The trademark hearing helped students understand issues relating to:

- Intellectual Property Rights
- Protection of brand names and logos
- Legal remedies available in trademark disputes
- Importance of registration and ownership rights

The advocates presented arguments regarding trademark protection and legal rights, which gave students practical insight into Intellectual Property Law.

Visit to the High Court Museum

After observing the court proceedings, students visited the museum of the Bombay High Court. The museum guide, **Shinde Sir**, explained the rich history and heritage of the Bombay High Court. He provided detailed information regarding:

- Establishment and historical background of the High Court
- Architectural significance of the building
- Important historical judgments
- Evolution of the judicial system in India
- Old records, photographs, and artifacts preserved in the museum

The museum visit gave students valuable knowledge about the development of the Indian judiciary and the legacy of the Bombay High Court.

Visit to the High Court Library

Students also visited the prestigious High Court library. The library contained:

- Law journals
- Bare Acts
- Legal commentaries
- Reference books
- Historical legal records

The visit helped students understand the importance of legal research and reading in the legal profession. Students observed the organized system of maintaining legal materials and gained motivation to improve their research skills.

Learning Outcomes

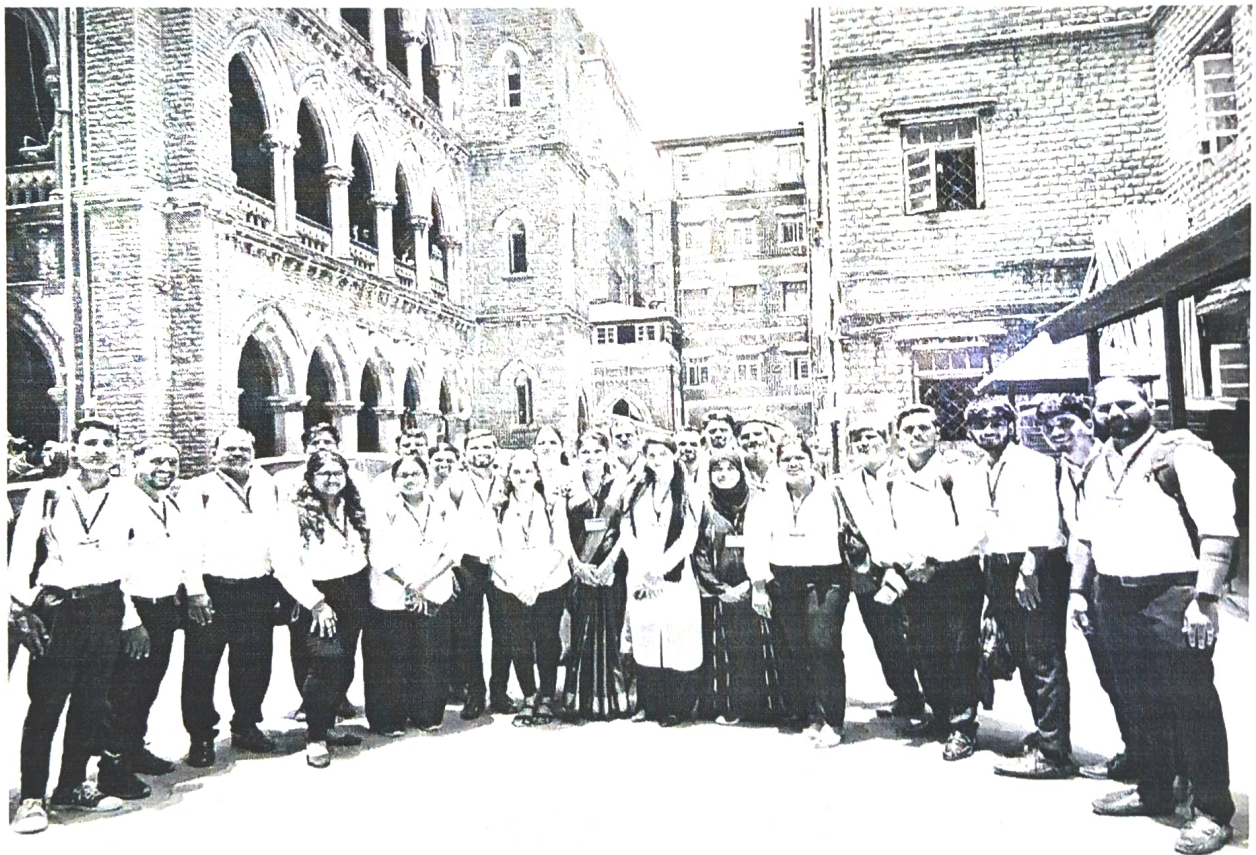

The educational visit provided students with:

- Practical knowledge of court functioning
- Understanding of courtroom procedures and decorum
- Exposure to live legal arguments and judicial reasoning
- Knowledge about Intellectual Property and Taxation matters
- Awareness of legal history and judicial heritage
- Understanding of the importance of legal research and libraries

The visit successfully bridged the gap between theoretical legal education and practical court experience.

Conclusion

The educational visit to the Bombay High Court on 8 May 2026 was highly beneficial and informative for the First Year LL.B. students of Alice Law College, Boisar. Under the guidance of Assistant Professor Ravina Katkar, students gained valuable practical exposure to the judicial system, observed important court proceedings, and learned about the history and functioning of the High Court. The visit enhanced students' legal knowledge, courtroom understanding, and professional awareness, making it a memorable and enriching academic experience.
